Vision

By training leaders who go forth with a pioneering spirit we are raising up a new breed of believers who demonstrate extravagant love, a 'spirit of faith', and the power of God while pursuing the lost hearts of Africa.

Mission

Rhema Nigeria exists as a vital extension of the mandate given to Kenneth E. Hagin in 1950 to 'Go teach my people faith' and to help usher in the last great move of God's Spirit and the return of Jesus. Through the integrity of God's Word and the power of the Spirit, as well as very practical hands on training, we are equipping highly skilled labourers for the global harvest of this generation
